

REMARKS

The drawings were obtained to for various informalities. The cited reference numerals have been added by amendment into the appropriate portions of the specification. A new Fig. 6 has been provided with the reference numeral "600" removed. Applicant respectfully asserts that the objections have been overcome.

Claim 10 was objected to for a typographical error. That error has been corrected in the above amendments.

Various claims were rejected under 35 USC 102 and/or 103. Applicant respectfully traverses the merits of the rejections. However, in order to expedite prosecution, Applicant has amended the claims consistent with the Examiner's indication of allowable subject matter. Applicant reserves the right to re-present the originally, unamended claims without prejudice, disclaimer or acquiescence to the merits of the asserted rejection. Applicant likewise reserves the right to re-present the any disclosed and previously unclaimed subject matter without prejudice, disclaimer, or acquiescence to the merits of the asserted rejection.

Applicant respectfully asserts that the pending application is in condition for allowance and requests notice of the same. Should any issues remain outstanding the Examiner is urged to telephone the undersigned to expedite prosecution.

Respectfully submitted,

Date: March 12, 2007
